Testimonials

Prelude can actually teach people how to be collaborative. This is the product's true strength and beauty. - Project Management Specialist

Our staff found Prelude fun, engaging and stimulating. More than that, it revealed assets in some of our team previously hidden and it brought other HR issues into the open and challenged us to deal with them. - Senior Executive

Prelude is a non-threatening process to shift a group from competitive/elbowing to cooperative/collaborative. - Corporate Education Coordinator
